

Mariana Garcia Torres, Ph.D

833 W Buena av. Apt 2003. Chicago, Il. (708)9271938 mgarc75@uic.edu

EDUCATION

University of Illinois at Chicago Chicago, IL

Ph.D., Disability Studies

Department of Disability and Human Development

December 2021

Dissertation: *Evaluation of the Program Parents Taking Action for Parents of Pre/adolescents with ASD in Colombia*

Advisor: Fabricio Balcazar

The Citadel, the Military College of South Carolina

Charleston, SC.

M.A., Psychology.

Psychology Department

May 2016

Thesis: *Perceptions of overweight in Latino Populations in Colombia, Mexico, and the US*

Advisor: William Johnson

The Citadel, the Military College of South Carolina

Charleston, SC.

B.S., Biology

May, 2014

Minor: Spanish

magna cum laude

The Citadel, the Military College of South Carolina

Charleston, SC.

B.A., Psychology

May 2014

magna cum laude

AREAS OF RESEARCH

Fields: Psychology, Disability Studies. || **Topics:** Disability, Latino communities, Americans with Disabilities Act, caregiving, sexuality, adolescence, developmental disabilities, parent education, community education, cultural adaptation, knowledge translation, community participation, diversity, and inclusion. || **Theories:** Socio-ecological theory, social theory, disability studies || **Methods:** Qualitative research methods, mixed methods, knowledge translation practices, program evaluation, scoping reviews, and curriculum development.

RESEARCH EXPERIENCE

University of Illinois at Chicago

Chicago, IL

Post Doctorate Research Associate.

Department of Disability and Human Development

December 2021 – Present

Advisor: Sarah Parker Harris

PI and Co-PI of multiple research projects within two five-year NIDILRR-funded center grants- the ADA National Network Knowledge Translation (ADAKT) Center and the ADA National Network Great Lakes Center

- Co-PI of four key projects: A mixed methods national project on Spanish Language Outreach and the ADA; a qualitative project on Mental Health and Employment; scoping reviews of COVID-19, disability, health, employment, and education; and a qualitative project on Hispanic Outreach for Employment and Disability.
- In all projects, co-led project conceptualization and design; IRB preparation; project execution; literature reviews and scoping reviews; qualitative and quantitative data collection; data analysis; drafting of reports, articles, briefs, infographics, and other plain language documents; preparation and delivery of academic and community-based presentations and trainings; and supervision of multiple (8) graduate student research assistants.
- Worked independently and as part of different projects, including working with faculty across multiple universities and community-based sites, staff members, and students.

University of Illinois at Chicago

Chicago, IL

Doctoral Researcher. Dissertation

August, 2016 – December 2021

Department of Disability and Human Development

- Developed a curriculum for parents of preadolescents with autism using intersectional approaches from disability studies, social science, and rehab science.
- Culturally adapted the curriculum to Latino communities in the US (Austin, TX and Chicago, IL) and Colombia.
- Delivered community training to Latino communities in the US and Colombia to understand the program's impact in both countries.
- Used different research methodologies, including qualitative and quantitative methods, to test the program's effectiveness in Bogota, Colombia.

University of Illinois at Rockford

Chicago, IL

Research Specialist

April 2022

- Conduct focus groups with the Latino community to understand their healthcare needs in the Rockford area during and after the COVID-19 pandemic.
- Analyzed qualitative interviews and developed reports to summarize the needs of the Latino community.

National University of Colombia.

Bogota, Colombia

Research Specialist

April 2022

- Assisted the group of investigations GITEI (Grupo de investigación en Tecnología) in supporting the virtualization of an educational program for rural areas regarding inclusion and disability.
- Helped create a national strategy for implementing the “Tejiendo Saberes” educational model to deliver across Colombia.

University of Illinois at Chicago.

Great Lakes ADA Center.

Chicago, IL

Research Assistant

May- August 2020

- Developed the pre- and post-evaluation questionnaires for the online ADA Coordinator Training Certification Program (ACTCP).

National University of Colombia

Office of the General Comptroller of the Republic of Colombia

Bogota, Colombia

Research Specialist

August -December 2019

- Analyzed data from 24 counties in Colombia, including more than 700 participants in the education community.
- Provided a general overview of the national situation regarding inclusive education and what has been missing in implementing this legislation.
- Presented results to a national conference that executives from different counties and leaders in the disability community attended.

University of Illinois at Chicago.

Chicago, IL

Family Support and Resource Training Center

August 2016 – July 2018

Research Assistant

- Conducted eight focus groups and collaborated in qualitative data collection and analysis in the project “Public Transportation and Community Participation for Latinxs with Disabilities.”.
- Conducted pre-post assessments to test the effectiveness of a program for Latino Families of Children with Autism
- Conducted four focus groups, worked in data analysis (quantitative and qualitative), and collaborated in manuscript development.

The Citadel College.

Charleston, SC

Department of Psychology

August 2014-May 2016

Research Assistant.

- Collected data in a study involving perceptions of overweight in Hispanic populations in Colombia and compared it to the Hispanic population in the US and Mexico.

TEACHING EXPERIENCE

University of Illinois at Chicago

Chicago, IL

Teaching Assistant, Department of Disability and Human Development

August 2018- 2021

- Experience with undergraduate and graduate students mixed research methods, disability-related policy and law, disability in world cultures, health and disability, disability in the family
- Experienced developing and teaching seminar classes (e.g. 10-20 students), large lecture classes (e.g. 100-200 students), online (asynchronous and synchronous) and in-person.
- Preparing material for class, advising students, grading assignments
 - DHD 203: Disability in World Cultures 2017
 - DHD 204: Disability in the Humanities 2018
 - DHD 201: Disability Rights and Culture 2018/2019
 - DHD 401: Foundations in Disability & Human Development (Online) 2019/2020
 - DHD 206: Disability, Urban Planning and Geography (online) 2020
 - DHD 301: Disability Research Methods (Online) 2020

Led Instructor, Department of Disability and Human Development

2024-2025

- Course development and solo instructor for mixed undergraduate/graduate seminar class on Disability in Latino Communities

Community-based teaching

2017- Present

- Developed curriculum and teaching in community-based organizations for Latino parents of children with disabilities.
- Delivered over 20 educational sessions and trained more than 150 people, including people with disabilities, specifically Autism, and their families, to increase their participation in the community by providing skills, tools, and training.
- Delivered various online training and workshops for staff members of community-based organizations on sexuality and disability.
