v.9/26 CURRICULUM VITA

Matthew P. Janicki, Ph.D.

7 Reflection Pond Drive
Rockport, ME 04856
USA
Tel: +1 207 236-2715
E-mail: janickimp@gmail.com; mjanicki@uic.edu

EDUCATION:

University/College	*Degree*	*Year*	*Scientific Field*
American International College Springfield, Mass.	BA	1967	Psychology
State University of NY@Albany Albany, N.Y.	MA	1969	Rehabilitation Counseling
State University of NY@Buffalo Buffalo, N.Y.	PhD	1974	Rehabilitation Psychology

VETERAN STATUS:
United States Air Force - 1964-1968

EXPERIENCE*/Professional:*

Co-President, National Task Group on Intellectual Disabilities and Dementia Practices, 2010-
www.the-ntg.org

Member, US Federal NAPA Advisory Council on Alzheimer's Research, Care, and Services, 10/2019 – 9/2023

Member, Board of Directors, American Association on Health and Disability, 2021 -

Research Associate Professor of Human Development, Institute of Disability and Human Development, University of Illinois at Chicago (Chicago, Illinois), 2018 - .

Research Professor, Center on Aging, University of Maine (Orono), 2006-2010.

Adjunct Professor, School of Rural Medicine, University of New England, Armidale, NSW, Australia

Research Associate Professor of Human Development and *Director for Technical Assistance* in the Department of Disability and Human Development at the University of Illinois at Chicago (Chicago, Illinois) and the Rehabilitation, Research and Training Center on Developmental Disabilities and Health, 1998 - 2018.

Founding Editor, Journal of Policy and Practice in Intellectual Disabilities, 2003-2016

Research Professor and Co-director, Center on Intellectual Disabilities. School of Social Welfare, University at Albany (Albany, New York), 1998 – 2005.

Director, Bureau of Aging Services and Special Populations, NYS Office for People with Developmental Disabilities [formerly the Office of Mental Retardation and Developmental Disabilities] (Albany, NY), 1987-1998. Administrative direction for policy and program development/coordination for agency's services for older persons with developmental disabilities, and persons with specialized conditions, such as traumatic brain injury and Prader-Willi syndrome.

Project Director (AoA funded grant projects: Community Integration Project in Aging and Developmental Disabilities, 1991-1993, Caregiver Assistance Project in Aging and Developmental Disabilities, 1993-1996; NIA funded grant project: Alzheimer's Disease and Related Dementias and Adults with Intellectual Disabilities, 1994-1998). Managed grant projects.

Director, Center for Aging Policy Studies, NYS Institute for Basic Research in Developmental Disabilities (Staten Island, NY), 1993-1998. Directed activities at interdisciplinary program center on applied and social research studies related to aging of persons with developmental disabilities.

Public Policy Leadership Fellow, National Institute on Aging (Bethesda, MD) and U.S. Senate/ Subcommittee on the Handicapped (Washington, D.C.), 1986-87. One-year fellowship funded by the Joseph P. Kennedy, Jr. Foundation, Washington, DC, to promote legislation and public policy for aging and aged persons with mental retardation and other developmental disabilities.

Director, Bureau of Program Research & Planning, NYS Office of Mental Retardation and Developmental Disabilities (Albany, NY), 1978-1986. Administrative and technical duties relating to developmental disabilities services' statewide and regional planning, policy analysis, research, development and implementation of needs assessment and information system, and program concept development. Managed development of federal Developmental Disabilities Council state plans and state agency developmental disabilities state plan; served as liaison to State DD Council and other state planning, advisory and consumer bodies; served as hearing officer at state agency public hearings; and managed special projects.

Coordinator/Program, Technical Assistance Unit, NYS Office of Mental Retardation and Developmental Disabilities (Albany, NY), 1977-1978. Central Office and field technical consultation duties on program related matters to Willowbrook Consent Decree and coordination on projects related to deinstitutionalization, standards development and concept program development.

Team Leader/Psychologist, Eleanor Roosevelt Developmental Services (Schenectady/Troy, NY), New York State Department of Mental Hygiene, 1973-1977. Clinical and administrative duties directing regional community and residential service treatment teams; also responsible for research, program administration, staff development, consultation, and grant development; oversight of both developmental center and community residential services and rehabilitation programs; involvement with community program coordination, development, and planning committees; liaison to local government officials. Management of ~100 staff.

Psychologist, Niagara Falls (NY), CMHC, 1972-1973. Clinical and administrative duties, involving consultation and treatment in both inpatient and outpatient mental health/rehabilitative setting. Supervision of inpatient treatment team.

Director/Hostels, PEOPLE - Services for the Retarded Adult, Inc., (Buffalo, NY), 1970-1971. Administrative and clinical duties related to the operation of community residence program for mentally retarded adults. Supervision of program staff.

Probation Officer, Erie County (NY) Probation Department, 1969-1970. Managed case load of youthful offenders and conducted pre-sentence investigations, and preliminary screening of new probationers.

EXPERIENCE*/Academic:*

Research Associate Professor of Human Development at the Department of Disability and Human Development at the University of Illinois at Chicago (Chicago, Illinois), 1997 - 2018. Training and continuing education teaching.

Research Professor at the Rockefeller School of Public Policy, University at Albany (Albany, NY), 1999-2005. Co-Director for Center on Intellectual Disabilities. Management of research projects.

Adjunct Professor of Medicine in the School of Medicine and Dentistry at the University of Rochester (Rochester, New York), 1997-2010). Grant and research project management (WHO health indicators study).

Consultant/Instructor, SUNY @ Albany (Department of Counseling Psychology), 1976-1980. Taught courses in applied behavior analysis and rehabilitation related to developmental disabilities.

Instructor, SUNY @ Buffalo (Department of Counseling Psychology), 1971-1972. Taught courses in rehabilitation.

AFFILIATIONS:

American Academy on Developmental Medicine and Dentistry
American Association on Intellectual and Developmental Disabilities (Emeritus member)
American Psychological Association *(Fellow)*
Gerontological Society of America *(Fellow)*
International Association for the Scientific Study of Intellectual and Developmental Disabilities (*Fellow*)
International Society to Advance Alzheimer's Research and Treatment (ISTAART)
New York Academy of Sciences
Royal Society for Medicine (London)

PROFESSIONAL ACTIVITIES:

Founding Editor and Editor-in-Chief (ret.)
Journal of Policy and Practice in Intellectual Disabilities

Consulting Editor (history):
American Journal of Intellectual and Developmental Disabilities
Journal of Applied Research in Intellectual Disabilities
Journal of Intellectual and Developmental Disabilities

Journal Reviewer:
Applied Research in Intellectual Disabilities
Canadian Journal on Aging
The Gerontologist
Journal of Gerontology
Journal of Practical Approaches to Developmental Handicap
Journal of Intellectual Disability Research
Intellectual and Developmental Disabilities

Committees

- NICHD's Family and Community Committee for MRDD Branch Forward Plan (1982-1983).
- OHDS/ADD Developmental Disabilities State Plan Guidelines Development Ad Hoc Committee (1980).
- HCFA Ad-Hoc Committee on Research Applications on Developmental Growth (1981).
- National Association of State Mental Retardation Program Director's Program and Fiscal Planning Task Force (1981-1982).
- Administration on Developmental Disabilities' Aging & DD Training Centers Committee (1989-1991).
- Institute on Rehabilitation Issues (University of Wisconsin-Stout Research and Training Center) Prime Study Group: Aging in America - Implications for State/Federal Programs of Vocational Rehabilitation and Independent Living (1990).
- New York State Developmental Disabilities Planning Council, Aging Concerns Subcommittee-Chair (1989-1995)
- New York State Developmental Disabilities Planning Council, Aging Issues Committee (1995-1998)
- United States Implementation Committee for United Nations International Year for Older Persons-1999 (1998-1999).
- Co-Chair, National Task Group on Intellectual Disabilities and Dementia Practice (2010-)
- Co-Convener, International Summit on Intellectual Disability and Dementia (2016-2018)
- US Federal NAPA Advisory Council on Alzheimer's Research, Care, and Services (10/2019 – 9/2023)

American Association on Intellectual and Developmental Disabilities (formerly AAMR)
National: President, General Division (1989-1991); Organizer/Chair, Special Interest Group on Aging (1986-

1996); Chair, International Activities Committee (1993-1996); Council Representative to IASSID (1992-2000); Interim President, Gerontology Division (1996-1997); AAMR Representative to United States International Council on Mental Retardation and Developmental Disabilities (1995-2000).
Region X: Administrative Division Chair (1985-1986); Board of Directors (1989-90).
New York State Chapter: President (1989-90). Member Emeritus (2010-)

American Psychological Association *(Fellow)*
Division 33 (Developmental Disabilities); Chair, Membership Committee (1982-1987); Organizer/Chair, Special Interest Group on Aging (1986-1998).
Division 20 (Adult Development & Aging)

Gerontological Society of America *(Fellow)*
Organizer/Chair, Special Interest Group on Mental Retardation and Developmental Disabilities (1986-1996).
Fellowship Committee member (2018-)

International Association for the Scientific Study of Intellectual Disability (*Fellow*)
Treasurer (2000-2008); Council Member, US/AAMR (1992-2000); Organizer/Chair, Special Interest Research Group on Aging and Intellectual Disability (1996-2004); Member, Special Interest Research Group on Mental Health (1996-2010); Member, Special Interest Research Group on Health Issues (1997-2010). Ex-officio Council member (JPPID Editor) (2008-2016)

United States International Council on Mental Retardation and Developmental Disabilities
Vice-Chair (1995-1998); Chair (1998-2001); member (1995-2001).

American Association on Health and Disability
Board member (2019-)

Royal Society for Medicine (London, UK)
Overseas Fellow (1985-)

International Society to Advance Alzheimer's Research and Treatment (ISTAART)
PIA on Down Syndrome and Alzheimer's Disease (Executive Committee member) (2020 -)
PIA on Nonpharmacological Interventions (Executive Committee member) (2020 -2022)

Reviewer
OHDS Discretionary Funds Program (application reviewer)
NIH Grant Application (site reviewer)
New Zealand Social Services Council (grant reviewer)
Hong Kong Research Council (grant reviewer)
Joseph P. Kennedy, Jr. Foundation (proposal reviewer)
Retirement Research Foundation (proposal reviewer)
National Institute on Disability and Rehabilitation Research (proposal reviewer)
Administration on Community Living - ADPI Program (project reviewer)

Consultant
President's Committee on Mental Retardation (1992- 1994) [on aging initiatives]
National Arc (Arlington, Texas) (1993-1994) to Project Operation Care
Casa di Sanita San Raffaele (Rome, Italy) (2002-2017)
Lumind IDSC Foundation (Boston, Massachusetts) – Staging Project (2023-)

COMMUNITY ACTIVITIES:

Member of Community Agency Board of Directors:
- Glenotia Counseling Center, Scotia, NY (1973-1975)
- Independent Living in the Capital District, Inc., Schenectady, NY (1974-1985)
- Spectrum Generations (Central Maine Area Agency on Aging), Augusta, Maine (2008-2014)

Presentation of talks before community groups and professional associations, and development and presentation of in-service workshops.

RESEARCH PROJECTS MANAGEMENT:

Principal Investigator: "Developmental Disabilities Information Survey Development and Implementation: Phase I." Project funded through New York State Legislature: 1977-1981. Project developed the NYS OMRDD's Developmental Disabilities Information System which led to the submission of demographic, disability characteristic, residential, service and need data on 60,000 persons with developmental disabilities.

Co-Principal Investigator: "Living Alternatives Research Project." Project funded through grant from Research Foundation for Mental Hygiene, Inc. and state funds (1979-1983). Conceived idea for initial research and served as part of research team carrying out various phases of research project. Project examined, in detail, New York's community residence program.

Principal Investigator: "Community Integration Project in Aging and Developmental Disabilities." Administration on Aging/Administration on Developmental Disabilities Grant Number 90-AJ-2012 for the period October 1, 1990 to February 28, 1993. Project directed toward technical material development, training, and dissemination to facilitate community integration of seniors with developmental disabilities into aging network programs.

Principal Investigator: "Supporting Caregivers: A Demonstration of Linkages to Help Older Caregivers of Family Members with a Developmental Disability," a multi-year grant project (#90-AM-0679) funded by the Administration on Aging for the period October 1, 1993 to November 30, 1996. Project directed toward model development, training, and dissemination to facilitate area agency on aging outreach and services to caregivers of older adults with a developmental disability.

Principal Investigator: "Alzheimer Disease and Mental Retardation Colloquium," a four-year grant project (#R13 AG/HD12353-01) funded by the National Institute on Aging (May 1994 - March 1998). Project included planning and holding an international meeting of experts on aging, Alzheimer disease and mental retardation and then managing three workgroups charged to produce a national report under the aegis of the American Association on Mental Retardation and the International Association for the Scientific Study of Intellectual Disabilities.

Principal Investigator: "Health Practice Guidelines for Intellectually Disabled Adults," a two-year grant project (#1R13AG/MH15754-01) funded by National Institute on Aging and National Institute on Child Health and Development (August 1998 - September 2001) to hold a consensus conference in association with the World Health Organization to develop international guidelines for health services for older adults with intellectual disabilities.

Principal Investigator. "Preparing Community Agencies for Adults Affected by Dementia," a three-year grant project (#H133B980046) funded by the National Institute on Disability and Rehabilitation Research (October 1998 - September 2001) to examine how agencies can adapt their services to accommodate adults with intellectual disabilities and Alzheimer's disease (funded via the University of Illinois at Chicago's RRTC on Aging and Developmental Disabilities).

Co-Principal Investigator. "Enhancing State and Local Development of Supports for Caregivers of Persons with Developmental Disabilities," a one-year grant project funded by the US Administration on Aging (October 2001-September 2002) to The Arc of the US (with subcontracts to University at Albany and University of Illinois at Chicago).

Co-Principal Investigator. "Enhancing State and Local Development of Supports for Caregivers of Persons with Developmental Disabilities: Part 2," a two-year grant project funded by the US Administration on Aging (October 2002-September 2003) to The Arc of the US (with subcontracts to University at Albany and University of Illinois at Chicago).

Principal Investigator. "Assessing the Impact of Community Dementia Care for Adults with Developmental

Disabilities-Part 2" a two-year grant project (#H133B980046) funded by the National Institute on Disability and Rehabilitation Research (October 2001 - September 2003) to examine how states are planning for dementia services and to examine cost and staff work factors related to provision of care of adults with intellectual disabilities and Alzheimer's disease (funded via the University of Illinois at Chicago's RRTC on Aging and Developmental Disabilities).

Principal Investigator. "Assessing the Impact of Community Dementia Care for Adults with Developmental Disabilities" a five-year grant project (#H133B031134) funded by the National Institute on Disability and Rehabilitation Research (October 2003 - September 2008) to examine how families are providing care for adult offspring with Down syndrome and Alzheimer's disease (funded via the University of Illinois at Chicago's RRTC on Aging and Developmental Disabilities).

Principal Investigator: "The Wichita Project: A naturalistic examination of the evolution of three specialty group homes for dementia related care of adults with intellectual disabilities." Three-year project (2010-2013) funded under a grant to the University of Illinois at Chicago's RRTC on Aging and Developmental Disabilities from the NIDRR.

Principal Investigator: "The Wichita Project: A naturalistic examination of the evolution of three specialty group homes for dementia related care of adults with intellectual disabilities (Phase II)." Five-year project (2013-2018) funded under a grant to the University of Illinois at Chicago's RRTC on Developmental Disabilities and Health from the NIDRR.

SPECIAL PROJECTS MANAGEMENT:

Project Director: "Aging... A Shared Experience". VHS format, 19-minute video and discussion guide produced under grants from Joseph P. Kennedy, Jr. & Elvirita Lewis Foundations and the American Association of Retired Persons (1987-1989).

Co-Project Director: "Boston International Roundtable on Aging & Developmental Disabilities," funded under special projects grants from the Administration on Developmental Disabilities and the Administration on Aging, and various foundations (1989-1990).

Project Director: "Colloquium on Alzheimer Disease and Mental Retardation," a conference to examine practice and research issues to be held in Minneapolis, Minnesota in conjunction with the Fourth International Conference on Alzheimer Disease's and Related Disorders, a major biennial international scientific meeting. Support grant provided by the National Institute for Disability and Rehabilitation Research and the National Institute on Aging (1994).

Project Director: "Mini-White House Conference on Aging on Older Caregivers and Adults with Developmental Disabilities," organized and held in New York City (1995).

Project Director: "Dementia and Adults with Intellectual Disabilities — What Can We Do?" VHS and CD-ROM format, 22-minute video and discussion guide produced under a grant from the New York State Developmental Disabilities Planning Council (2000-2001).
